Charity Golf Day a winner for all!

SUNDAY 12th March 2017

A cloudless blue sky set the scene for this year's Golf Day held at the award winning Twin Creeks Golf & Country Club, Luddenham.

All players enjoyed a relaxed bbq lunch prior to tee-off, which set the scene for an enjoyable (if not competitive) afternoon of golf.

Drinks in the Clubhouse followed the round with prizes awarded post match and the raffle in support of Vatu Health drawn by Adrian Sheen.

The afternoon came to a close in good humour with players declaring the afternoon a resounding success!

ANNUAL CHARITY JAZZ NIGHT SATURDAY 13th MAY 2017

With a very large crowd in attendance, the 14th Annual Charity Jazz Night held at Twin Creeks Golf & Country Club, Luddenham, was an 'enormous success'

'Friends' of Vatu Health, families, community members and professionals all turned out to support a fabulous night of entertainment and fundraising.

The Mulgoa Road Jazz Band provided entertainment with their style of dixieland jazz, featuring jazz legends Mike Hallam and Jack Wiard.

The very hotly contested 'Mulgoa Idol' talent show provided an array of local talent which included performances on the oboe, flute, guitar and vocals, some Fijian music, a rock and roll dance number and a martial arts performance choreographed to music!

However the famous **Mulgoa Idol Trophy** (*a very beautiful mug*) was won this year by two very talented young girls and their magic show which ended with a donation being pulled from the hat! A big congratulations to the winners *Magic Macey* (age 10) and *Fabulous Frankie* (age 8)!

The major raffle of the evening was a holiday for two to the beautiful 4.5 star Hideaway Resort & Spa, Fiji - flights included. With only 300 tickets they were quickly snapped up. Congratulations again to the lucky winner drawn on 24 June 2017 (noted overleaf).

Other prizes during the evening included a Dinner Voucher for two donated by The Lakeside Restaurant, appliances donated by Betta Electrical of Minchinbury, gourmet gift hampers from Le Petit Maison, Mulgoa and Bulgaria Estate Wine packs - all wonderful donations.

All together a very successful night with funds raised for a very worthwhile cause.
